### Warranty Exclusions

- ✓ Improper installation or operation of the product
- ✓ Improper use of product for purposes other than that for which it was designed
- ✓ Neglect, lack of care, poor handling or accidental damage
- ✓ Tampering with the product markings
- ✓ Extreme usage of battery
- ✓ Batteries left uncharged for extended time
- ✓ Incorrect charging, including overcharging and/or undercharging
- ✓ Labor costs associated with installing and testing
- ✓ Freight cost back to us for testing

**\*\* Warranty does not cover over discharged batteries or diminishing capacity due to battery age and depth of discharge**

If you think your battery may need replacing under warranty, please contact the place of purchase or ring 13 000 62966 so we can help trouble shoot the issue over the phone. Often, the fault can lie with other components of the charging system.

Proof of purchase is required

If you wish to return the battery to a stockiest for testing, this will be at your cost unless damaged upon delivery and you notify us at the time. The battery will be tested and if found faulty we will pay the cost of sending a replacement battery.
